Mission or primary goal of your organization:

To save lives and reduce injuries on Guyana roads.

“Slaughter on our roads will rapidly become worse unless strong and immediate action is taken in the field of traffic control and safety”.

Guyana has an approximate population of 700,000. Approximately 150 persons are unnecessarily killed on our roads every year………….. mostly young children between the ages of 5-9 yrs.

Main subject areas of activity or programmes

- Education/training
- Human rights
- Counselling
- Women’s issues

Major projects in last two years, including current projects

joined the Alicea Foundation for a weekly vigil opposite Parliament Buildings or the President’s Office for one hour every Friday for two and a half years!! We were demanding an end to the slaughter of our children and other loved ones on our roads. Men, and other interested persons also joined us. We named ourselves – MOTHERS IN BLACK

Main source(s) of funding
The Alicea Foundation

Project theme or sector
Revision and enforcement of the Guyana Vehicle and Traffic Act

Project partners
Concerned members of the public
